

# TUFF-STUFF® MS COLOR CHART

## Product Description

Tuff-Stuff MS is a moisture-curing, single-component, non-sag adhesive sealant that contains no solvents and, when cured, offers the performance of a two-part sealant with the ease of installation of a one-part. It is designed to maintain an effective bond and seal between materials of similar and dissimilar surfaces, porosities and coefficients of expansion.

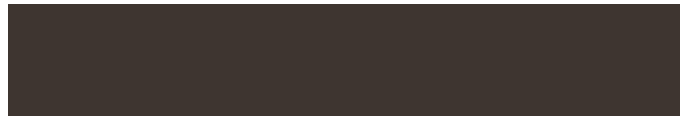

## Uses

Tuff-Stuff MS is intended for use in expansion and control joints, reglets, precast panels, tilt-up walls, metal curtain walls, copings, window, door perimeters, panel bedding, and glazing details. For other applications, please consult your local Garland Sales Representative.

## Tuff-Stuff MS is available in the following colors\*:

Natural Stone

Classic Bronze

Tru-White

Aluminum Stone

\*This guide offers a representation of the colors. Please speak with your local Garland representative for a cured or applied color sample.
